Hello everyone!

With fall in full swing I wanted to remind you to please check your child's clothing bin/drawer to make sure they are fully stocked on weather appropriate clothing. Please also remember to make sure your child has their rain gear at school. We've had a relatively dry fall so far, but just in case that changes we want to make your child will be able to stay dry by having their boots and rain suit at school.
With the weather beginning to get colder I wanted to inform you that we do have a supply of mittens at school for the children to use to keep their hands warm. If you wanted to bring in your own pair of gloves that is also OK, but I would recommend using the glove+string trick (securing each glove to a long string and then lacing the string through the sleeves of your child's jacket) that way if your child decides to remove the gloves they wont get lost!

Thank you for everyone who was able to come to our Parent Ed Night. I appreciate you taking your time and adding a change in your routine to come speak with me!

Due to school closures our only Outdoor School day in November will be on the 6th. (11/6/26)
