Happy Fall, Y'all!

We are slowly finding our rhythm, learning the classroom and deepening connections with peers and teachers. Last month we learned about earthworms, octopuses and discussed the beautiful state we call home. This month we will be looking at reptiles, dinosaurs, fossils and the United States.

If your child was not here for picture day, we will be having a picture make-up day on Wednesday, November 4th. Parent teacher conferences will be held on the 19th and 20th of November - school will be a half day with noon pick up. Sign ups for conference times will be in the hallway behind Tonya's office.

Our thanksgiving luncheon is a day where we read the story Stone Soup, the children will make Stone Soup together and perhaps a sweet treat. A sign-up will go up in the classroom near the volunteer sign-up sheets to bring a single ingredient to add to our soup.

Just a general reminder that our recess time begins at 9 am - so our goal is to be on the way to the playground at this time. You can arrive as early is 8:50 (or 8:45 if you sign in on your way out so the time listed is 8:50). If it is a Wednesday and you are arriving at 9 or later, I ask that you please dress your child in their rain gear, bring their water bottle and meet us on the playground when you are ready. This ensures we can stay on track with our schedule for the day and your children get the most time possible to play at recess.

Thank you for your support!
Warmly,
Ms. Mallory

Notes from the Art Corner:

Hello all!

We're going to be playing with some new mediums in November including chalk pastels which are so bright and colorful and also pretty messy. Try to think about dressing your students in clothes that can get art supplies on them during their art day! A reminder that Ms. Mallory and Ms. Megan's classes have art on Tuesdays and Ms. Patricia's and Ms. Kirsten's have art on Thursdays. We will also be doing a special project on gratitude this month!

DATES TO REMEMBER

Winter Break
December 21st - January 3rd
Return on January 4th, 2027

If University Place school district closes, we will be closed. If they have a late start, then we will open at 10:00am. No AM childcare, this will ensure our staff can get to school safely and in time for us to prepare the grounds for your safety. If we have 3 closures, we will have make-up days. Listen to local radio or TV stations or check the Internet (www.upsd.wednet.edu/upsd/site or www.montessoriinmotion.org) for school closure

"The child is both a hope and a promise for mankind."
